

to love ALL and help ALL follow Jesus

From the beginning, we've been a church that's rooted in the community, for the community. Our vision is to be a mission-minded family, bringing joy to our city and glory to God. This season, we believe God is calling us to go ALL IN. We desire to be a community where people learn about Jesus through outreach and discipleship. Simply put, when we go ALL IN, transformation happens: in you, our church, our neighborhood and the nations. Because when we go ALL IN, we can reach ALL for the Kingdom.

TO LOVE ALL AND HELP ALL FOLLOW JESUS, WE MUST...

| BE A DEEPLY CONNECTED, MULTI-GENERATIONAL BODY | PASS ON THE FAITH, FROM ONE GENERATION TO THE NEXT | BE FOR THE JOY OF OUR CITY AND FOR THE GLORY OF GOD |
|---|--|--|
| <p>We are experiencing rapid growth in our neighborhood. And everyone should have the opportunity to be part of a Jesus-worshiping, Bible-preaching community. We believe God is calling us to create new environments in order to meet these needs, reach the lost and make more disciples.</p> | <p>We hope to pass on the faith to the next generation. To accommodate the growth in these thriving ministries, we need to maximize our surroundings to cultivate discipleship opportunities. Doing so will expand our capacity to host more youth, reach their families and develop their faith journeys.</p> | <p>We want to continue to be a church that does life together – for years to come. And that means going outside our walls and being in the community. We want to optimize the land that God has entrusted to us and build community-based areas that draw people in, spark Gospel conversations and foster relationships.</p> |
| <p>Create welcoming entrances so everyone feels like family</p> <p>Expand the classrooms to promote spiritual growth and discipleship for our children, youth and adults</p> <p>Build multi-use areas for others to gather frequently and strengthen relationships</p> <p>Enlarge our sanctuary with 150+ seats so more people may join worship with us</p> | <p>Make Youth Building and Kids Worship enhancements to disciple more students and provide more ministry opportunities</p> <p>Repurpose the original and build new classrooms for Creation Station (Early Learning Center) to accommodate our growing children's weekday ministries</p> | <p>Develop life-transforming community environments that are open to our church and the unchurched people</p> <p>Add more state-of-the-art playgrounds that encourages families to gather and connect on our property throughout the week</p> <p>Establish a dedicated space for our Food Pantry and Circle 1 ministries, strengthening our neighborhood connection so we can serve others well</p> |

Let's trust God and go ALL IN as we move forward together to impact our church, next generation and community.
