

# Jobs at Dallas Bible

## OUR VISION AND MISSION

Dallas Bible is a missional family that exists to love ALL and help ALL follow Jesus. We're a community marked by GRACE. It's why we're committed to leaving the confines of comfort to love a world that's grown skeptical of religion but still longs for the grace of Jesus Christ. That love is modeled by Jesus; so we strive to love with truth and grace, side by side, always.

We believe God has placed us in a vibrant community of flourishing neighborhoods on purpose, and that purpose is simple: to love all and help all follow Jesus. The invitation to "follow Jesus" is a comprehensive call that includes our worship, identity, purpose, values and thoughts; so in all we do, our hope is for Jesus to ascend and ALL to gladly follow.

This means we go beyond ourselves every day, prayerfully dependent upon Him for everything. It means we make room for ALL people while intentionally investing in a selfless, loving family that all are welcome into. It means we speak truth while giving grace. It means we love one another, go to our neighbors, pray for our co-workers, and follow Jesus in everything; all for the joy of the city and glory of God. We believe that's our calling.

## OUR COMMUNITY

Dallas Bible is a vibrant, inter-generational family of believers that loves our community and longs to see Jesus at its center. We're surrounded by flourishing neighborhoods, the best public schools in DFW, a stable economy, and an influx of young families with young kids moving into the area. We love our community and want to be a blessing!
