## Caring for Each Other

The challenges of 2020 have given us the opportunity to show the love of Jesus to our community. Our volunteers expanded our food pantry and Precious Stones ministries to support food-insecure families and isolated individuals. Consistent generous giving enabled us to provide housing and counseling assistance to those impacted most by COVID.

Ms. N. sounded so sad when I called, until she found out that Precious Stones Ministry would be putting Christmas items on her porch. She perked up right away and thanked me over and over!

### Making a Connection

Our church body went virtual this year, allowing current members to stay connected when not able to meet in-person and to reach a new audience online. Whether in-person or online, we exist to help you prioritize weekly time to connect in worship and in the teaching of God's word to continue your journey in faith.

Thank you for continuing to enhance and provide a quality platform and service for our family to engage with our church's worship services.

The Psalms study has been an absolute blessing. At this point, my small group is my family, and I simply cannot imagine my life without them.

### Being in Community

Weekly gatherings, checking up intentionally on each other, and following up on prayer requests establishes authentic connections that grow and strengthen our community. In spite of limitations on physical gatherings, our groups have continued to meet and support each other, our outreach has increased, and our new Early Learning Center is flourishing.
