

Faith Talk *Activity* - August 9, 2026

Family-Friendly Activity: The Dance Floor

Materials needed:

- Some open floor space and a way to play music

Instructions:

Start by having one person dance alone in the middle of the room while everyone else watches from the edges. Then, one at a time, invite each person in — tapping them on the shoulder and pulling them onto the floor — until everyone is dancing together.

Sit down and talk about it: *What felt different about being on the outside watching versus being on the inside dancing? What felt different about dancing along versus dancing with all of us?*

Then connect it to the sermon: *"John says the Trinity — Father, Son, and Holy Spirit — has been in a perfect, joyful dance of love forever, and the gospel is God tapping us on the shoulder and pulling us in. Does it feel like you're on the dance floor or watching from the edge — and what do you think makes the difference?"*

Close with this: *"John says the way the world knows God invited us in is by watching how we love each other. What's one way our family can show someone outside our home this week that we're in the dance?"*

Let everyone answer, decide on something together, and close with a short prayer.
